

HP Business Inkjet 1000 printer

Offering cost-effective color printing with four individual ink cartridges, this fast, reliable, easy-to-use printer is ideal for home office and small business professionals.

Enjoy tangible cost-savings

- **Get HP Business Inkjet printing at a low price.** With low purchase and operation costs, you can afford high-performance, high-quality, color printing.
- **Reduce running costs with individual cartridges.** When one color runs out, you replace only that cartridge. Individual, long-life printheads deliver high productivity and low maintenance costs.
- **Choose the HP ink cartridges that meet your printing needs.** Higher capacity (69 ml black, 28 ml color) and lower capacity (28 ml black, 14 ml color) cartridges ensure that you get cost-effective, convenient printing.
- **Get up and running in no time.** Built-in USB connectivity enables hassle-free setup and installation. Connect directly to your computer or connect to an HP Jetdirect external print server to enable easy printer sharing and increase user and workteam productivity.

Become more productive

- **See results fast.** With print speeds up to 23 pages per minute (ppm) black and up to 18 ppm color, you won't have to wait long for your documents. This compact performer features 8 MB RAM and a 96 MHz processor to ensure quick printing, even for complex documents.
- **Enjoy excellent quality for your documents and images.** Get up to 4800 by 1200-optimized dpi color printing on HP Premium Photo Paper¹ and laser-quality black text up to 1200 dpi. HP Smart printing technology in your printer and its supplies optimizes print quality and reliability.² Patented HP inks produce vibrant color and consistently accurate images.

- **Minimize intervention.** With a 150-sheet input tray and an 80-sheet output tray, you can focus on your work rather than tending to your printer. The optional automatic two-sided printing accessory saves you paper and time.³

Ensure peace of mind

- **Depend on a solid, reliable printer.** The robust monthly duty cycle of 6,250 pages easily accommodates all of your home office and small business printing needs.
- **Simplify printer use and management.** Intuitive, user-friendly LEDs help you manage print jobs and perform immediate maintenance, configuration, and troubleshooting.
- **Produce long-lasting documents with vivid images.** HP Advanced Paper features patented color-locking technology, making documents printed on this paper smear-resistant, allowing ink to dry more quickly, and producing deeper blacks and more vivid color.⁴

HP printing and imaging systems help you create powerful, professional communications easily. Printers, supplies, accessories, and services are designed together to work together and are invented to meet your business needs.

¹ Up to 4800 by 1200-optimized dpi color and 1200-input dpi.

² Using genuine HP supplies ensures availability of all HP printing features.

³ The automatic two-sided printing accessory is optional—not included, sold separately.

⁴ HP Advanced Paper availability varies by region.

HP Business Inkjet 1000 printer

- 1 Space-saving, easy-to-use desktop design
- 2 Friendly control panel includes graphical icons on the buttons and lights, simplifying use and providing printer and ink cartridge status at-a-glance
- 3 Top cover flips open for easy troubleshooting or maintenance
- 4 Ink cartridge cover provides quick access to long-life printheads and four snap-in ink cartridges
- 5 80-sheet output tray with extender
- 6 150-sheet input tray
- 7 Built-in USB 2.0 port
- 8 Optional automatic two-sided printing accessory provides effortless two-sided documents

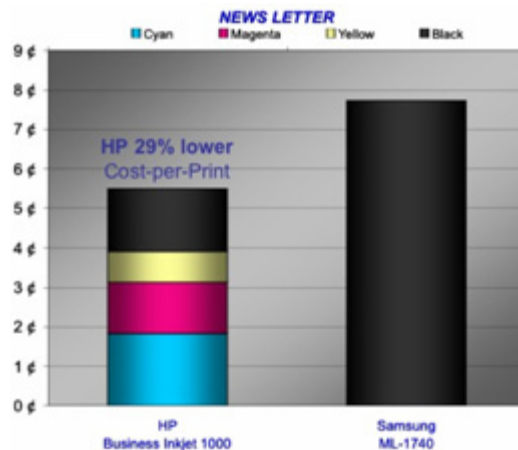

HP Business Inkjet 1000 printer shown with optional automatic two-sided printing accessory

Revolutionize printing in your workplace with this powerful combination of cost-effective black-and-white and color printing for everyday use.

Low running cost, low intervention

Tests conducted by an independent research company, the SpencerLab Digital Color Laboratory,⁵ showed the cost of ink when printing with the high capacity individual ink cartridges (HP No. 10 Black and No. 11 Cyan, Magenta, and Yellow), as used in the HP Business Inkjet 1000 printer, may be as much as 29 percent less than the cost of toner when printing with the Samsung ML-1740 black-and-white laser printer—even when printing color documents!

Optional automatic two-sided printing

Another way to save you time and money, the optional automatic two-sided printing accessory handles a wide variety of paper from 16 to 24 lb (60 to 90 g/m²). The accessory reduces paper usage and effortlessly provides professional-looking documents.

⁵ For more information, go to www.spencerlab.com.

⁶ HP Advanced Paper availability varies by region.

Two ink cartridge sizes

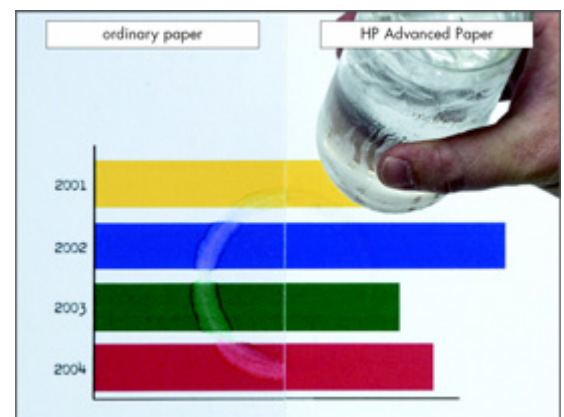

Choose the cartridge size that best meets your printing volume:

- HP 10 Black and HP 11 Cyan, Magenta, and Yellow ink cartridges for lowest cost-per-page, higher page yield, and lower intervention
- HP 13 Black, Cyan, Magenta, and Yellow ink cartridges for low cost-per-page and lower purchase price

Water resistant output

HP Advanced Paper with patented color-locking technology is designed together with HP printers and HP inks to produce water-resistant documents that dry faster and deliver deeper blacks and more vivid colors. With HP Advanced Paper, you can handle documents sooner, with little or no smearing, and colors won't streak—even when exposed to water. And to maintain low-cost printing, the price of one ream of HP Advanced Paper is comparable to a ream of HP Multipurpose paper.⁶
